					£1,294,857	£1,504,819	£11,234,000

* The method of valuing the assets in the published accounts varies considerably between AMs. The assets are the sum of the cash held, the quoted value of investments, the value of property, less any debts and liabilities. Each AM has a different way of valuing the property – from no values to professionally assessed value. Thus the total value of £11,234,000 is a very rough figure.
