A note about sign-up forms and links				
Yorkshire Youthwork happens across various Quaker charitable bodies, although we tend to use the <i>Quakers in Yorkshire</i> web platform to hold sign-up and safety data for ease, version control and security. Regular day events have a one-time form, residential events tend to have more detailed proprietary booking forms, and BYM events, like youthwork and Yearly Meeting or JYM, have separate forms held centrally. It is important to note that not all safeguarding arrangements are held by QiY. In the description column, the final bracketed initials denote the current safeguarding oversight of an event and therefore to whom you should go if you have a concern. We note, happily, that this arrangement should simplify with the arising <i>Yorkshire Quakers</i> umbrella body.				
Who does what?				
In the most part events are organised and delivered by the Youth Development Worker along with volunteers. Excitingly, there are now more requests for work than capacity, and gratefully some volunteers are now leading events (supported by the YDW), so there are some events where Jo will not be present. Likewise BYM events tend to have their own staffing.				
Costs & Financial Assistance				
When an event has a small cost associated with it, e.g. pizza, our default is “free – donations welcomed”. Funding for my role comes from Yorkshire Quakers, so if you are a Yorkshire Quaker with a direct debit, I wouldn’t worry at all; if not, consider contributing, but know that it is totally optional. Some events have more significant costs associated with them, such as residential or high-ticket activities like climbing or trampolining, however, financial assistance is available <i>in every case</i> . If you want to know how the FAF works and details of how to make a donation, please follow this link .				
How to be kept in the loop				
This link leads to the Youth Worker’s direct mailing list. Communications are targeted by demographic; young people, parents, meeting role holders, newsletter editors and notice readers are all encouraged to sign up.
